

**INSTRUCTIONS FOR FORM #400 & 401
STUDENT INDEPENDENT MANAGEMENT HEALTH PLAN AND
AGREEMENT**

Purpose:

To ensure that self-monitoring and the self-administration of diabetes medication at school, when a healthcare provider, parent/guardian, student and school nurse agree that this is appropriate, is done safely, carefully, and accurately.

Instructions:

1. The agreement should be completed by the parent/guardian and student.
2. The parent/guardian must provide the following to the school:
 - Written & signed orders from the Healthcare Providers
 - Written & signed parent/guardian authorization on the Provider's orders, Agreement for Independent Management and the Individualized Health Plan (e.g. Student Independent Management Health Plan)
3. The school nurse will complete an Individualized Health Plan to be kept in the health room.
4. The Independent Management form will be completed and distributed
